

Hello,

Thanks for your interest in the worship and music ministry at Bridgeway Community Church. We are excited to see people who have the desire to use their gifts and talents in order to enhance our overall church worship experience.

In order to try to organize and develop the talent that we are blessed with, please fill out the attached form and place it in my church mail box. After I get your form, I will give you a call and we can schedule an interview. At the interview, we will sit down, have an informal chat. I can also answer any questions that you may have. I would like you to bring an instrument if you play it (unless it's a piano, we have one, no sense hurting yourself). If you are a vocalist, please bring a background tape that best represents your style and range or let me know ahead of time of any song you would like to sing that I can accompany you with. This all may sound like an audition, but it is not. It is just a chance for me to get to know you and you to get to know me.

Please know that just because you go through this process, you will not be automatically invited to join the worship team and lead worship in services, sing a solo, or be offered a multi-million dollar recording contract. While the ultimate goal is to grow this ministry to its maximum potential we are looking first and foremost for people with a servant's heart who put the needs of the congregation before themselves. Secondly, we are looking for those with the gifts God has provided to be an addition and not a distraction to a worshipful atmosphere.

If I can answer any questions, feel free to give me a call or send me an email.

God Bless,
